WHY

Logistics and Transportation, Inc.

Part of Almost4Minds mission is to provide reliable transportation services to keep those living with HIV connected to care and achieve undetectable viral loads. This is accomplished through transportation to medical, dental, vision, mental health, case management, food pantries and more to individuals living with HIV across Indiana.

100% of the proceeds will go towards rides not covered by grant funds!

DID YOU KNOW?

Almost4Minds has provided over 52,000 rides and averages over 900 rides each month!
